SIR

I have the honour to forward herewith a copy of the register of applicants for Engineering Scholarships of 1897, and to state that K-Venkatachar & Rajagopal and G E Ramachar were selected by Col Bowen, but K-Venkatachar has since his selection withdrawn his application, G Rajagopal has been awarded a medical scholarship, and G E Ramachar though written to more than once has not produced a certificate of physical fitness and age and has therefore apparently no desire to obtain the scholarship Of the remaining two applicants R Skanda Rao is too old for admission to the College of Engineering and Col Bowen also has

repeated him on the score of age. I recommend
therefore that Government may be pleased
to confer a scholarship on H P Bhashyacharlu
of Rs 30 a month tenable at the Madras
Engineering College for a period of three
years. I enclose a copy of Notification
D No 53 dated 10th May 1897 relating
to the scholarships.
